NOTICE UNDER 37 C.F.R. § 1.28(c)
OF APPLICANTS' ERROR IN CLAIMING SMALL ENTITY STATUS

Dear Sir:

Applicants have discovered that small entity status was established in error on the above-referenced issued patent and some of its predecessor applications. Applicants erroneously claimed small entity status and paid small entity fees, believing in good faith that they were entitled to small entity status at the time the fees were paid.

As a result of the foregoing error, Applicants believe that the additional fees listed below are now due:

Application No. 08/315,673 (Patent No. 5,582,982) Issue Fee 3 Mo. Extension Fee 1 Mo. Extension Fee (Filed under 463)	Application No. 08/315,673 (Patent No. 5,582,982) Issue Fee 3 Mo. The above includes the preceding applications of Patent No. 5,582,982. Applicants believe that no additional fees are due on Application No. 07/256,689 because Applicants' claim of small entity status was proper at the time Application No. 07/256,689 was filed.

Pursuant to 37 C.F.R. § 1.28(c) Applicants herewith submit the fees representing the difference between small and large entity status for those fees which were incorrectly submitted.
